Subject: America/Texas Recycle Events along the border
Attachments: Texas Recycles Day 2013 page 1.pdf

I don't know whether Ron has any interest in attending such events in mid-November; but wanted to inform you that there will be several formal events along the border. If Ron would like to visit some border communities; these could provide an opportunity. I see that there are events on back-to-back days (November 14 and 15) in two communities in the Rio Grande Valley area meaning who could make a "tour" of the region.

For Pharr Texas
